Professional Scissors

DAHLE®

Screw Fastened *German Engineered* *90 Day Warranty*

Dahle's Professional Scissors are designed to accommodate the needs and comfort for both personal and professional use. The handles are made of tough ABS plastic that gentle forms around your fingers. This comfortable fit reduces pressure points and fatigue during extended use.

These professional grade scissors feature Solingen steel cutting blades that are machine ground and hardened to 56 Rockwell. This specification is considered the optimal hardness of metal for maintaining a sharp edge. The blades are screw fastened and can easily be tightened to your personal preference.

With a wide range of sizes and cutting capabilities, Dahle Professional Scissors are guaranteed to produce a clean cut each and every time. They are available in 4", 6", 8" and 10" sizes.

Features

- **Machine ground blades are hand finished and hardened to 56 Rockwell**
- **Solingen steel blades are stainless and resist corrosion**
- **Screw fastened blades for easy adjustment of cutting tension**
- **Handles are made of tough ABS plastic & are virtually unbreakable**
- **Great for precision cutting of paper**

Screw fastened blades, machine ground, & hand finished for a superior cut.

Form fitting handles provide comfort and reduce fatigue during continuous use.
